Atlantic Business Magazine announces \$5,000 Top 50 CEO Scholarship Program

(January 27, 2006) Atlantic Business Magazine is expanding its Top 50 CEO awards program with a unique scholarship opportunity. Graduate-level Business or Management Studies students throughout Atlantic Canada have an opportunity to win \$5,000 plus a year-long mentorship with one or more of Atlantic Business Magazine's Top 50 CEO award winners.

The Top 50 CEO Scholarship will be awarded annually to the part-time or full-time graduate-level business or management studies student *currently* attending university in Atlantic Canada who best exemplifies the characteristics of Atlantic Business Magazine's Top 50 CEO award winners.

Inaugurated in 1999, Atlantic Business Magazine's Top 50 CEO awards recognize corporate leadership excellence. Award winners are bold, savvy and entrepreneurial in spirit. They are proud community supporters and active volunteers. They are driven to generate wealth, not just for their own personal gain, but for the benefit of their shareholders, employees and the larger Atlantic community.

The scholarship will be awarded based on strong academic achievement, proven leadership skills and community involvement as well as a 1,000 word essay. Interested applicants must submit a transcript of their marks along with a copy of their curriculum vitae and a 1,000 word essay that reveals why the applicant is a student of advanced business/management studies. Applications must be submitted by February 20, 2006 and the scholarship will be awarded during the Top 50 CEO awards presentation on May 11, 2006.
